ACQUA DI COLONIA

CLASSICISM AND MODERN GLAMOUR

Luxury and contemporary. Charm and vitality.

*Now **Acqua di Colonia** was born, an amenities line where the freshness and enchantment of its timeless fragrance with its citrus notes combine with the more modern and dynamic spirit of its design. It is the ideal collection to give guests an **all-embracing wellness experience** that will make their stay even more pleasant and unique.*

native philosophy

LOVE FOR THE BODY,
RESPECT FOR THE ENVIRONMENT

*All cosmetics are Made in Italy, with surfactants of vegetable origin, dermatologically tested, without silicones, mineral oils and raw materials of animal origin. They are also enriched with **wheat proteins**, ideal ingredients for caring for skin and hair, thanks to their **nourishing, protective and softening properties**.*

*Acqua di Colonia is an **environmentally friendly collection**: its bottles and dispensers are all made of **100% r-PET**. Recycled and recyclable.*

olfactory pyramid

PARFUME D'ORANGE VERTE

A fragrance with a familiar exoticism, combining the floral heart of iris, geranium and chamomile with the Mediterranean scent of citrus fruits and the oriental delicacy of musks and woods of ylang, sandalwood and patchouli.

**COLONIA.
A FRAGRANCE THAT NEVER FADES.**
